Gentlemen:

With reference to your letter of November 12, 1959 in regard to copies that were needed by your office on our Navajo C #4 well, we are enclosing copy of Form 9-331b, "Notice of intention to drill" and Form C-128, "Well location and acreage dedication plat."

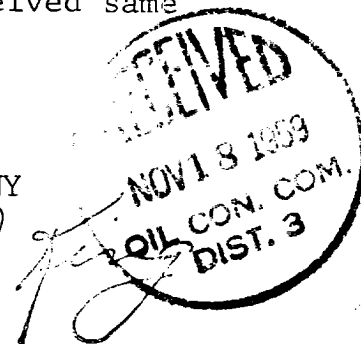

We file enough of these copies on each well with USGS to supply your office with the needed copies and we were under the impression that you had received same from them.

Sincerely,

KING OIL COMPANY
