Dear Sir:

*We are returning herewith a single copy of Federal Well Log
Form 9-330 which we have received on your #4 Navajo "C" well
located in the SE¹₄ Section 4-3QN-17W.*

*Will you please submit two copies of this form. We are also
unable to determine whether or not the well is a producing well
as you have simply indicated that it is on test. I would
suggest that you hold this form at least until such time as you
have a tentative test, so that we may complete our files on the
well.*

Yours very truly
