El Paso Natural Gas Company
P.O. Box 259
Farmington, New Mexico 87401

Gentlemen:

By Sundry Notice received February 19, 1980, you requested that this office rescind approval of the Application for Permit to Drill Well No. 15 Atlantic B BLM sec. 4, T. 30 N., R. 10 W., Lease No. Santa Fe 080917 because a dual well, the Atlantic B No. 2A, was drilled on this site. Application for Permit to Drill was approved May 11, 1979. Approval of the Application for Permit to Drill Well No. 15 Atlantic B is rescinded as of this date and returned herewith.

Any construction of access road and well pad not utilized by Well No. 2A Atlantic B will have to be restored to the satisfaction of the Bureau of Land Management.

Please advise this office of any constructed areas not presently utilized requiring rehabilitation.

Sincerely yours,

James F. Sims
District Oil and Gas Supervisor
