Please find attached the *Soil Investigation Summary and Proposed Remediation Workplan* that has been prepared for COG Operating's Sneed 9 Federal Com #2 environmental remediation site. The release site is located in UL "D", Sec. 9, Township 17 South, Range 32 East in Lea County, NM. Upon your review and approval, COG is prepared to begin the activities outlined in the attached *Workplan*.

If you have any questions or need any additional information, please feel free to contact Becky Haskell at 432-818-2372 or Nikki Green at 432-664-6699. Thanks and have a great weekend.
