Dear Mr. Kinder:

Re: EOG Galaxy Produced Water Recycling Facility and Recycling Containment located in Lea County, Section 16, Township 24S, Range 33E.

NMOCD has reviewed the submitted documents, dated January 2, 2018, encompassing the C-147 for the proposed Galaxy Recycling Facility & Recycling Containment. NMOCD gives approval for the following variances:

1. The variance request to install and operate the "Bird-X Mega Blaster Pro" system in lieu of Rule indicated netting for bird deterrence is approved. It is the responsibility of the Operator to maintain appropriate function of said system. Other aspects of the Rule relative to bird control/reporting remain in place.
2. The alternate fencing as proposed is also approved.
3. Therefore, the application and permit needs for Facility and Containment are approved.

Thank you for your assistance and cooperation on this matter.

Sincerely,

Bradford Billings
