Dear Mr. Kinder:

NMOCD approval is given for the proposed EOG Resources Chili Pepper Water Recycling Facility and Containment. Please be advised that this email message serves as documentation for approval. A hard copy will not be sent. Please see the attachments for your records: 1) the letter of approval indicates the specific variances approved and 2) signed C-147 application with the permit number issued for the Chili Pepper Water Recycling Facility and Recycling Containment. **Option 1** for the recycling containment will be utilized.

The Recycling Facility and Containment is issued an identifier **1RF-26**. Monthly usage reports on the form C-148 are expected electronically to NMOCD- District I office. NMOCD also may ask for periodic updates on containment conditions and inspection logs. For future communications, please remember to include the identifier **1RF-26** for tracking and record-keeping purposes.

Thanks,

Olivia Yu

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
