Katie Jones (ROC)

1R426-397

Based on the information, figures and data provided, the Oil Conservation Division (OCD) considers this RP closed (1R427-397) conditionally. Condition: Any necessary contamination found, if any, following this date, will be remediated at facility closure or sale.

Sincerely,

Bradford Billings
EMNRD/OCD
Santa Fe

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
