Olivia,

This is in reference to 1RP-4556. Noble Permian LLC took ownership of the lease earlier this year. I relayed the last email you sent on May 02, 2017 to Noble Permian LLC, and was contacted last week to perform the site characterization/delineation workplan for 1RP-4556. We will be at the site on Tuesday May 23, 2017 to begin the delineation process.

Thank You

Eric Garcia

Good morning Mr. Garcia:

Please inform of the status of the delineation workplan for 1RP-4556. It is nearly 3 months overdue. Currently, the Responsible Operator is noncompliant with NMOCD regulations.

Thanks,  
Olivia
