Ava,  
When we were out there doing some of the boundary for the pipeline we found monuments that differed from the previous ones that we held for the preliminary. We meant to give you a heads up, I apologize. Is there anything else that we can do to help remedy this?

James,  
Will you double check your calls for this well.  
The approved APD is attached and it doesn't match.

Thanks,

**Ava Monroe**
