I, Bobby Wallach would like to possibly keep the road, fence and electricity from the Sundance Services disposal well site. If possible I would like to keep the lease road from the site as I explained to Joe Carrillo; I use it to feed my cattle and other wildlife. I just need the piping, scrap metal, trash and any other equipment removed.

Below is my Bobby Wallach signature as well as Joe Carrillo to show that we have discussed and agreed on the above.

Thank you for considering my request.
