Re: State "AR" Well No. 2, Unit L
Section 2, T-11-S, R-37-E
Lea County, New Mexico

Dear Mr. Carapezza:

After evaluating the information contained in your letter of August 27, 1985, concerning the subject well, it seems appropriate to permit you to rod pump the well as requested, and to consider it as a Devonian completion. Your letter will be made a part of the permanent file as a matter of record.

In order for us to assign an allowable for the well and authorize the sale of oil, it will be necessary for you to submit Form C-104 in quintuplicate. Also, the attached Form C-103 is being returned for signature. Please furnish us with an additional copies of the C-103 to meet our distribution requirements.

Yours very truly,

OIL CONSERVATION DIVISION
