Dear Mr. Ramey:

As requested by your letter of February 6, 1969, we enclose Form C-105, Well Record, two copies of a notarized tabulated list of deviation surveys and a copy of the Acoustilog of our Graham "A" State Well No. 1, Unit 0, Section 2, T-11-S, R-33-E, Lea County, New Mexico.

There has been no change in status of this well; it remains temporarily abandoned. Casing has not been pulled from this well and it has not been permanently abandoned because it is felt that it may be necessary at some later date to reenter this well and complete as a salt water disposal well. I trust this is the information you need.

Very truly yours,

SOUTHLAND ROYALTY COMPANY
