Dear Sir:

We are holding Forms C-103, C-104 and C-110 for your Collier-Sams No. 1 in Unit I of Section 18-, T15-S, R-31-E. Before an allowable can be assigned to this well, it will be necessary for you to file Form C-116 showing the results of a gas-oil ratio test. This is required for all wells completed in the Caprock Queen area.

Also, your Notice of Intention to Drill was inadvertently approved under the name of R. D. Collier et al. Since your Plugging Bond is filed under the name of R. D. Collier, it will be necessary for you to file an additional Form C-103 showing a change of operator from R. D. Collier et al to R. D. Collier.

Yours very truly,

OIL CONSERVATION COMMISSION
