17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was shut-in due to cost of equipment compared to the low production. The No. 2 well on this lease is presently uneconomic and it is our plan to move the equipment to No. 1 well in the near future.

Last production from this well was in September 1971. It was shut-in because it was uneconomic to operate.
