

AFFIDAVIT ON CEMENTING

STATE OF ~~TEXAS~~ NEW MEXICO

COUNTY OF LEA

SS

I, Elbert Myers, being of lawful age, do state that I am employed by Halliburton Company in the capacity of CEMENTER, and that on the 21st day of July, 19 71, Halliburton Company performed a cementing service for the purpose of cementing the Intermediate ~~(production)~~ string of casing in Well Number 1 protection, ~~(size)~~ 1, Simmons Lease, located in Lea County, NEW MEXICO ~~TEXAS~~ for Western States Production Company (customer).

Information provided me by the customer, his agent or representative, states that the above string of casing was size 8 5/8" O. D., set in 11" inch drilled hole, and that casing depth set was 3,800 feet.

Cement and admixes used were: 375 cu ft Pozmix Cement mixed 1 ; 1
with 2% Halliburton Gel and 2% calcium chloride.

Based upon the above information, according to my cement tables, I have calculated that the above volume of cement will fill up an annular height of 2,138 feet between 8 5/8" casing and 11" hole.
(size) (size)
