Conditions of approval, if any:

12. Description of Proposed or Completed Operations --

Notice of intention to: - the following are things that might be done to a well.

- a. Performing remedial work on a well which, when completed, will affect the original status of the well. (This shall include making new perforations in existing wells or squeezing old perforations in existing wells. It is not applicable to new wells in the process of being completed, old wells being deepened or plugged back when approved by Form C-101, acidizing, fracturing, or cleaning out previously completed wells, nor to installing artificial lift equipment.),
- b. Plugging and abandoning a well includes plans for shooting and pulling casing; mudding, including weight of mud; cementing, including number of sacks of cement and depths of plugs; and the time and date of proposed plugging operations. If not previously filed a complete log of the well on Form C-105 shall accompany the notice of intention to plug the well; the bond will not be released until this requirement is satisfied.
- c. Temporarily abandoning a well,
- d. Effecting a change of plans from those previously approved on Form C-101 or C - 103.
- e. Altering a drilling well's casing program, pulling casing or otherwise altering an existing well's casing installation.
- f. Other - if not one of the above five then explain in this section.

Subsequent report of: - the following are activities that may require submittal of subsequent report.

- a. Commencement of drilling operations (within 10 days),
- b. Casing and cement test (within 10 days of setting each string of casing),
- c. Altering a wells casing installation (within 10 days of setting each string of casing),
- d. Temporary abandonment (within 30 days of completion),
- e. Plug & abandon (within 30 days of completion),
- f. Plugging back or deepening (within 30 days of completion),
- g. Remedial work (within 30 days of completion),
- h. Installation of artificial lift equipment (within 10 days of completion),
- i. Change of operator of a drilling well (within 10 days of completion),
- j. Such other operations which affect the original status of the well but which are not specifically covered (within 10 days of completion).

13. Signature, Title & Date -- The Form C-103 must be signed with title and date provided.
