OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

Table with 4 rows and 2 columns for reporting options: REPORT ON BEGINNING DRILLING OPERATIONS, REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL, REPORT ON RESULT OF TEST OF CASING SHUT-OFF, REPORT ON RESULT OF PLUGGING OF WELL, REPORT ON REPAIRING WELL, REPORT ON PULLING OR OTHERWISE ALTERING CASING, REPORT ON DEEPENING WELL.

July 6, 1949 Artesia, New Mexico

Date Place

THE UNIVERSITY OF CHICAGO

The University of Chicago is a private research university in Chicago, Illinois. It was founded in 1837 and is one of the oldest and most prominent universities in the United States. The university is known for its commitment to academic excellence and its diverse student body. It has a long history of producing world-class scholars and leaders in various fields of study.

The university's research programs are highly regarded, and it has a strong reputation for its contributions to knowledge in the natural sciences, social sciences, and humanities. The University of Chicago is also known for its innovative teaching methods and its emphasis on critical thinking and intellectual inquiry.

The university's commitment to diversity and inclusion is a key part of its identity. It has a rich history of welcoming students from all backgrounds and has been a leader in promoting equality and social justice. The University of Chicago continues to strive for excellence in all aspects of its operations, from its academic programs to its campus life.

The University of Chicago is a member of the Association of American Universities and is ranked among the top universities in the world. Its commitment to research and education has made it a leading institution in the United States and around the globe. The university's legacy of excellence and innovation continues to inspire and challenge its students and faculty.

The University of Chicago is a place where the pursuit of knowledge is a lifelong journey. It is a community of scholars and students who are dedicated to the highest standards of academic achievement. The university's commitment to excellence and its commitment to the public good make it a truly exceptional institution.
