17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was T. A. October 1, 1974 because of low production and remedial work. This well has been tested and production from secondary recovery is still low. This well is being held as T. A. for possible increase in production from secondary methods and/or tertiary recovery.

We request extension of temporary abandonment.

Expires 10/1/76

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
