Attention: Mr. R. D. Satterwhite

Gentlemen:

The submitting program as outlined on Commission Form C-101 for your Reed Estate Well #1, located in Unit J, Section 22-15S-36E, Lea County, New Mexico is approved as submitted. The stipulations that cement must cover all porosities are too rigid. Therefore, when submitting your oil string, please use sufficient cement to cover the Wolfcamp porosity.

Very truly yours,

OIL CONSERVATION COMMISSION
