New Mexico Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Gentlemen:

Signal Oil and Gas Company hereby submits application for permit to dispose of produced brines into its Gulf-State #2 well (dry hole).

Please find attached:

1. Application to Dispose of Salt Water by Injection into a Porous Formation Not Productive of Oil or Gas (3 copies)
2. Copy of registry receipt signed by State Engineer's office acknowledging receipt of copy of said application on July 1, 1957
3. Copy of signed waivers (9) from all Offset Operators
4. Copy of letter sent and registry receipt signed by surface owner, Elvis P. Gaudill, indicating that he received the waiver form and copy of application on July 6, 1957
5. A plat showing the location of the proposed disposal well and other required data
6. Copy of Schlumberger electrical survey of the well

We respectfully request approval of the submitted application. If additional information is required, we will be happy to supply same upon request.

Very truly yours,

SIGNAL OIL AND GAS COMPANY
