Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Conoco requests renewal approval of Temporary Abandonment status for the above referenced well. A new, valid MIT was run on 5/11/01 and the chart is attached.

Conoco wishes to retain this wellbore while we continue to evaluate the Queen and Seven Rivers. This evaluation has begun and should be completed within the next 1-2 years. Conoco initially wanted to go ahead and P&A this well; however, Oxy will not approve the P&A.

This Approval of Temporary Abandonment Expires 6/5/02

14. I hereby certify that the foregoing is true and correct
