Gentlemen:

A check of the file for your Carper State No. 1-B in Unit E of Section 2, T-18-S, R-33-E indicates that no reports have been filed for this well since May of 1954 at which time a Notice of Temporary Abandonment was filed.

Since the Commission requires that Form C-103 showing status be filed every six months for temporarily abandoned wells, we shall appreciate your filing this form at your earliest convenience.

Yours very truly,
