Dear Sir:

Please refer to our recent notification of intention to drill Boon Hardin No. 1 in the Hobbs field.

The plat attached to the original notification to drill was correct, but we note, however, that our description of the property on the form was in error and we ask that you please correct your copies to read 330' east of the west line and 330' north of the south line of the northwest quarter of Section 18, Township 18-South, Range 38-East, Lea County, New Mexico.

Yours very truly
