Dear Mr. Johnson:

Reference is made to your letter of October 8, 1957 regarding the approval of forms for your Gulf State No. 1 in Unit A of Section 26, T-18-S, R-34-E.

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, informs me that he has not as yet had an opportunity to inspect the location. When this inspection has been made your Form C-103 will be approved and a copy returned to you, provided he finds the location in order. If work still needs to be done there, you will be notified by letter.

Our files indicate that Form C-105 was distributed upon receipt in this office.

Yours very truly,

OIL CONSERVATION COMMISSION
