Dr. E. H. Wells
State Geologist
Santa Fe, New Mexico

Dear Dr. Wells:

This is in reply to your letter of February 8th,
regarding the Hobbs High #1.

The only report I have on file in this connection
is form SG-101, "Notice of Intention to Drill New Well",
however, there is some correspondence regarding it here.

It seems as if the plugging was done under the
supervision of Mr. Jim Sullivan. I will contact Mr.
Sullivan and get him to make an affidavit to the effect
that the well was properly plugged so that our records
will be complete.

Very truly yours,

FJV:t

State Oil & Gas Inspector.
