Re: Aztec Uncle Well No. 1

Dear Mr. Ramey:

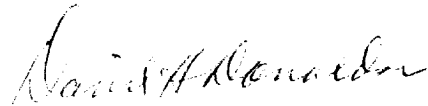

Enclosed is the correspondence that I have had with your Mr. A. L. Porter concerning the captioned well. I also enclose Form C-110 for transportation of gas and condensate. Would you please check our letter of April 11, 1966 to Mr. Porter and these forms and forward whatever Mr. Porter needs so that we may be able to produce this well.

Southern Union Gas Company has informed us that they will have us connected within the next 10 days and we will appreciate anything you can do that will expedite getting the allowable for this well. To save time, if you need any additional information from us, please call collect to Area Code 915 - FE7-3111, Odessa Texas.

Thank you very much.

Very truly yours,

L. R. FRENCH, JR.
