Re: Filing of radio-activity and electrical logs

Gentlemen:

Rule 1108 of the Commission Rules and Regulations requires that Form C-105 be accompanied by one copy of all electrical and radio-activity logs run on a well. Reduced scale logs are desirable.

As of this date we have not received this information on the following wells:

Central Vacuum Unit No. 149-H 30-17-35

Yours very truly,

OIL CONSERVATION COMMISSION

Jerry Sexton
Supervisor, District 1

If no logs were run, please make a statement to that effect in the space below. If they have been run and will be supplied later, please so indicate.
