Re: Unorthodox Location  
East Pearl Queen Unit #85  
T19S, R35E  
Lea County, New Mexico

Dear Mr. Stogner:

This letter shall serve as our request to have the following unorthodox location approved by your office.

140' FSL 1330' FWL, Sec. 27, Unit N, T19S, R35E

On the attached plat, you will note our location lies within the unit boundaries of the East Pearl Queen Unit. We offset ourselves on this location. We are requesting approval of this location because it will allow us to establish a more efficient waterflood pattern within the unit.

Should you have any question, please call.

Sincerely,

Scott Graef  
Production Engineer
