Pan American Petroleum
Hobbs, New Mexico

Gentleman:

On January 27, 1958, a survey was made to locate you State "D", Well No. 1, located 1980 feet from the North Line and 330 feet from the East Line of Section 1, Township 19 South, Range 36 East, N.M.P.M., Lea County, New Mexico.

A flag was placed on the U.S.G.L.O. $\frac{1}{4}$ Corner marker common to Sections 1 and 6 and the Transit was set up on the Witness Corner U.S.G.L.O. Brass Cap marker 46.2 feet south of the Northeast corner of Section 1, thence chaining from the Witness Corner South 1933.8 feet, thence West 330 feet to the proposed well site. As a check we chained east from the location 330 feet and thence south 669.24 feet to the U.S.G.L.O. $\frac{1}{4}$ corner marker common to Sections 1 and 6 checking in within 0.2 feet of the U.S.G. distance for this section.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
