Re: Reclassification of Well  
Eumont Pool  
State A-26 #1-M  
Sec. 26, T19S, R36E

Gentlemen:

Due to the recently submitted "special" gas/oil ratio test the above-referenced well be reclassified from gas to oil effective September 1, 1990, and the gas allowable cancelled effective that date.

Please file a revised acreage dedication plat, Form C-102, outlining the 40 acres dedicated to the oil well completion. Also, please file a sundry notice of recent workover which increased the oil production.

Very truly yours,

OIL CONSERVATION DIVISION
