

3. The proposed 160-acre gas protection unit for this well consists of one governmental quarter section, the NW $\frac{1}{4}$ of Section 35, 20-8, 36-N. The well is located 1900 feet from the north and west lines of the proposed unit.
 - (a) The length and width of the proposed unit does not exceed 5000 feet and it lies wholly within a single governmental section.
 - (b) Both royalty and lease hold interests are common under this unit.
 - (c) Subject tract may reasonably be assumed to be productive of gas from the Hunter Gas Pool.
4. Tennessee Gas Transmission Company believes this application to be in the interest of conservation and the protection of correlative rights.
5. All affected operators have been notified of this application via registered mail.

Yours very truly,

TENNESSEE GAS TRANSMISSION COMPANY
