This form shall be executed and filed in quadruplicate with the Oil Conservation Commission at Santa Fe, New Mexico, covering each unit from which oil is produced. A separate certificate shall be filed for each transporter authorized to transport oil from a mit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.
A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall, in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the entire and a new property by the transporter temporarily meving oil from the certificate of the half and the name of such temporary transporter and a copy of such notice shall also be more in that the latitude of the property transporter and a copy of such notice shall also be more included the property transporter and a copy of such notice shall also be more included the property transporter and a copy of such notice shall also be more included the property transporter and a copy of such notice shall also be more included the property transporter and a copy of such notice shall also be more included the property transporter and a copy of such notice shall also be more included the property shall not move any more shall no
If any of the reich and regulations of the Oil Conservation Commission have not been compiled with at the time this report is filed, explain fully under the heading "REMARKS."
In all cases where this sartificate despited to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to tansport oil.
A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission.
