Mr. O. H. Randell
404 S. Mesa St.
Carlsbad, New Mexico

Dear Mr. Randell:

It has been called to my attention by a representative of the Gulf Pipe Line Company that the Williams #1 Well, in Unit J, Sec. 33, Twp. 19, Rge. 37, as reported on your Monthly Report, OCC Form C-115 is not the well which is producing but is full of water.

I believe that the Williams #2 Well, in Unit P is the well that should be reported on the Monthly Report, OCC Form C-115. If so, will you please make this correction on your next report.

Very truly yours,

Secretary - Hobbs Office

og

P.S. I have no record in my files of your having purchased these wells. This should have been reported on Form C-110.
