Dear Sir:

A check of the file for your State "EB" No. 1 in Unit E of Section 35, T-19-S, R-37-E, Eumont Pool, indicates that you have neither filed Form C-110 showing a casinghead gas connection nor applied for a no-flare order for this well.

Unless you do have a gas connection, in which case you must submit Form C-110, it will be necessary for you to make application for a no-flare order at once.

Yours very truly,

OIL CONSERVATION COMMISSION
