

- (8) That the applicant will comply with all rules and regulations of the New Mexico Oil Conservation Commission to maintain separation of production from the two pay zones.
- (9) That the manner and method of the proposed production is mechanically feasible and practical.
- (10) That by copy of this letter all offset operators are notified of this application.

Therefore, Amerada Petroleum Corporation requests that the Oil Conservation Commission grant permission to the applicant to produce this well as proposed in this application.

Respectfully submitted,

AMERADA PETROLEUM CORPORATION
