Form C-103.

Dear Mr. Cone:

I have Form C-103, Report on Result of Plugging of Well.

On May 6, 1948, I approved Form C-102, Notice of Intention to Plug Well, and I quote in part the following procedure as outlined on this form, a copy of which was returned to you:

"Fill hole with mud to base of anhydrite, at 1850 feet and set bridge and cement with 10 sacks of cement. Fill hole with mud and cement well marker in top of 8 5/8 surface pipe which is left in well."

I cannot approve the plugging of this well unless this bridge was set.

Very truly yours,

Oil & Gas Inspector
