Dear Mr. Ramey:

We respectfully submit for your consideration, application for authority to convert the Southland Royalty State "AB" Well #1 located 660' from the north line and 1980' from the west line, Unit letter C Section 3 Township 19 South, Range 37 East, Lea County, New Mexico, to a salt water disposal well. This application is made in anticipation of successfully negotiating with Southland Royalty for the acquisition of said well for this purpose.

Included are the following enclosures:

- (1) Form C-104
- (2) Form C-108 (triplicate)
- (3) A plot showing the location of the proposed salt water disposal well, the location of all other wells within a radius of two miles from proposed disposal well, and the formation from which said wells are producing or have produced.
- (4) Log of proposed disposal well.
- (5) A diagrammatic sketch of the proposed well showing all casing strings, diameter and setting depths, quantities used and tops of cement, perforated in levels, tubing string, including diameter setting depth and type of packer.
- (6) Pertinent information sheet, indicating name and depth of formation into which disposal will be made, kind of fluid to be injected, anticipated volume to be injected, and source of injection fluid.
- (7) The State of New Mexico one well plugging bond, form O & G B- has been completed and mailed to your office by the State.

Provided authority cannot be granted administratively, please place the application on the hearing docket and so advise us as to the hearing date.

Very respectfully yours,

August A. Peters, Jr.
