RE: PERLA #1  
SECTION 19-T19S-R36E  
LEA COUNTY, NEW MEXICO

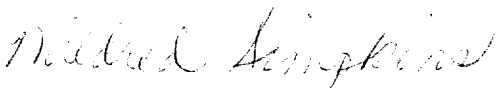

Dear Evelyn:

I spoke with Bonnie Prichard today concerning a June test allowable for the referenced well. As she was not able to give verbal approval, she spoke with Eddie Seay. He gave verbal approval to move the unused portion (3,000 barrels of oil) of our May test allowable during the month of June.

Ms. Prichard requested a brief explanation of the circumstances necessitating this request. The well was shut in during May awaiting surface test equipment.

Yours very truly,
