HOBBS, NEW MEXICO

August 3, 1959

Mr. Howard Swaim
District Superintendent
Continental Oil Co.
P. O. Box 427
Hobbs, New Mexico

Dear Mr. Swaim:

By letter from this office dated July 23, 1959 you were advised that a 160 acre unit consisting of the SE/4 of Section 15, T-20-S, R-37-E was being assigned effective July 13, 1959 for your Britt B-15 No. 9.

By telephone conversation this date you advised us that the W/2 SE/4 and the E/2 SW/4 is to be dedicated to this well rather than the SE/4 as indicated by Form C-128 on file in this office, and that an application for the non-standard unit has been made.

We, therefore, request that you disregard our letter of July 23rd; you will be notified as to the effective date upon receipt of an Order approving the non-standard unit.

Yours very truly,

OIL CONSERVATION COMMISSION
