

NEW MEXICO OIL CONSERVATION COMMISSION
 Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	X	REPORT ON DEEPENING WELL	
REPORT ON RESULT OF PLUGGING OF WELL

OIL CONSERVATION COMMISSION,
 SANTA FE, NEW MEXICO.

Gentlemen:

Following is a report on the work done and the results obtained under the heading noted above at the _____
Amerada Petroleum Corporation State X Well No. 1 in the
 Company or Operator Lease
NW 1/4 SW 1/4 of Sec. 16, T. 20, R. 37, N. M. P. M.,
Monument Field, Lea County.

The dates of this work were as follows: _____

Notice of intention to do the work was [~~was not~~] submitted on Form C-102 on March 21, 1937 19____
 and approval of the proposed plan was [was not] obtained. (Cross out incorrect words.)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

12 1/2" 40# 8-Thd. New Lapwell casing was set in this well at 196' and cemented by the Halliburton Method with 200 sacks.

Cement was drilled out of the casing and the hole was then bailed dry and allowed to stand undisturbed for one hour. The bailer was then run to bottom again to determine if any water had accumulated. No water had accumulated so the drilling was then resumed.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part outlines the various methods and tools used to collect and analyze data. This includes the use of surveys, interviews, and focus groups to gather qualitative information, as well as the application of statistical software for quantitative analysis.

3. The third part details the process of identifying and measuring key performance indicators (KPIs). It explains how these indicators are selected based on the organization's strategic goals and how they are used to monitor progress and identify areas for improvement.

4. The fourth part discusses the challenges and limitations of data analysis. It highlights the potential for bias in data collection and the importance of using appropriate statistical techniques to ensure the validity of the results.

5. The fifth part provides a summary of the findings and conclusions drawn from the analysis. It identifies the main trends and patterns in the data and offers recommendations for future research and action.

6. The sixth part includes a list of references and sources used in the document. This provides a clear path for readers who wish to explore the topics discussed in more detail.

7. The seventh part contains a list of appendices, which include additional data, charts, and tables that support the main text. These are provided for reference and to allow for a more thorough examination of the data.

8. The eighth part is a list of footnotes and endnotes, which provide further information and clarification on specific points raised in the document.

9. The ninth part is a list of acknowledgments, which expresses gratitude to the individuals and organizations that provided support and assistance during the research process.

10. The tenth part is a list of contact information for the author and the organization, providing a way for readers to reach out if they have any questions or comments.
