Please find enclosed a copy of a Form C-139 for the W. T. McComack #18, submitted in June of 1996 via certified mail. The returned certified card (copy attached) indicates that the application was received in your office on 6-28-96 and signed by Jerry Sexton. We have not received certification of approval on this well, nor any other correspondence explaining reasons to the delay. Could you please investigate this matter and contact me as soon as possible? Thanks very much for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Tanya Kerley".
