

5. Atlantic's State "AL" No. 4 well is capable of producing top oil allowable for the Jalmat Pool and if closed in to prevent flaring of gas, will fail to recover all its recoverable oil from its proration unit. It is Atlantic's opinion that correlative rights and the best interests of conservation will not be protected if this well does not produce.

Respectively submitted,

THE ATLANTIC REFINING COMPANY

P. E. Fletcher

P. E. Fletcher
Regional Operations Manager

AFFIDAVIT

Before me, the undersigned authority, on this day personally appeared P. E. Fletcher, known to me to be the person whose name is subscribed to this instrument, who, after being dually sworn on oath, states that he is employed by or associated with The Atlantic Refining Company in the capacity of Regional Operations Manager, and that the above statements are true and correct.

P. E. Fletcher

Sworn and subscribed to before me on this 3rd day of April, 1957.
