Gentlemen:-

We would like to call to your attention an error we made on our Form C-103 under date of August 31st-1937, received in your office September 7th-1937 for the test on 12 $\frac{1}{2}$ " casing. We showed this well to be H.D. Greer #1; this should have read H.D. Greer #4. We have changed our copies and would appreciate your changing the copies that we sent you.

Yours truly,

Mid-Continent Pet. Corp.
