Re: Conoco, Inc., State CC-16, Well #1, Monument (Tubb), Sec 16, T20S,R37E, Lea County, Form C-105

Concerning the above referenced well, we filed the C-105 completion report on the well on May 30, 1996. We received a report this morning showing the correct choke size and producing method. We are requesting that you please change the following:

Choke size: 32/64"
Production Method: Flowing
Flow Tubing Press.: 100#
Casing Pressure: 750#

Thank you for your assistance on these amendments. Please call us @ 1-800-432-2967 if you have any questions.

Yours truly,
