Attention: Mr. Paul S. Johnston

Gentlemen:

We refer to your application of September 11, 1954, for permission to effect dual completion of your company's E. C. Hill Well No. 1, located in Lot 10 of Section 4, Township 21 South, Range 37 East, NMPM, Lea County, New Mexico.

Your application, which was received in this office on September 20, 1954, had been assigned the number DC-166 and was eligible for action as of October 1. However, it is our understanding from our Hobbs office that you plan to plug off the Tubb zone and recomplete subject well as a gas well producing from the Blinbry zone only. In view of this present plan, we are removing your dual completion application from our abeyance file.

Very truly yours,

W. B. Macey
Secretary-Director

Attention: Mr. Earl F. Johnson

Dear Sir:

We refer to your application of September 11, 1934, for permission to effect final completion of your company's No. 1 well, located in Lot 10 of Section 4, Township 21 North, Range 37 West, N.M.P.M., Lea County, New Mexico.

Your application, which was received in this office on September 11, 1934, has been assigned the number 22-105 and was eligible for action as of October 1. However, it is our understanding from our field office that you plan to plug off the well and recomplete subject well as a gas well, producing from the Miocene zone only. In view of this present plan, we are now moving your well on Section 4 from our previous file.

Very truly yours,

W. L. McCoy
Secretary-Treasurer
