13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

It is proposed to perform a casing integrity test on this well so that it can be temporarily abandoned.

This well will be evaluated for remedial potential in the Blinebry during the next year.

14. I hereby certify that the foregoing is true and correct
