Gentlemen:

Effective January 1, 1964 your Eubank No. 4 located in Unit H of Section 22, T-21-S, R-37-E and Hardy No. 5 located in Unit L of Section 20, T-21-S, R-37-E, Blinebry Gas Pool, are reclassified as oil wells. This reclassification is necessitated by your recently submitted gas-liquid ratio tests, which indicate the wells to be producing liquids of less than 51 gravity with a ratio of less than 32,000 cubic feet per barrel.

Please submit corrected Forms C-128 showing 40 acre dedication prior to January 1, 1964 in order that allowables may be assigned in the Oil Proration Schedule.

Yours very truly,
