NOTICE OF INTENTION TO DRILL

RECEIVED JUN 18 1947 HOBBBS OFFICE

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins...

Dallas 1, Texas

June 10, 1947

Place

Date

OIL CONSERVATION COMMISSION, Santa Fe, New Mexico.

Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as...

MAGNOLIA PETROLEUM COMPANY BRUNSON-ARGO Well No. 15 in SE 1/4 NW 1/4

Company or Operator Lease

of Sec. 10, T22 south R 37 east, N. M. P. M., Drinkard Field, Lea County

N.

The well is 760 feet (N.) of the South line and 660 feet

(W.) of the East line of Section 10

(Give location from section or other legal subdivision lines. Cross out wrong directions)

If state land the oil and gas lease is No. Assignment No.

If patented land the owner is

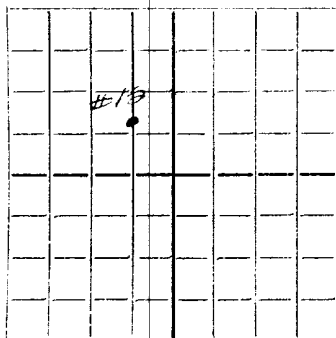

Address

If government land the permittee is

Address

The lessee is R. L. Brunson

Address Eunice, New Mexico

AREA 640 ACRES LOCATE WELL CORRECTLY

We propose to drill well with drilling equipment as follows:

Rotary Tools.

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: Financial Statement of Company filed with Commission and in First Judicial District of New Mexico.

We propose to use the following strings of casing and to land or cement them as indicated:

Table with 7 columns: Size of Hole, Size of Casing, Weight Per Foot, New or Second Hand, Depth, Landed or Cemented, Sacks Cement. Rows include 17-1/4 inch casing, 11 inch casing, and 7-3/4 inch casing.

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil and gas sand should occur at a depth of about 6650 feet.

Additional information:

Approved JUN 18 1947, 19

Sincerely yours,

MAGNOLIA PETROLEUM COMPANY

SECRET

1. The purpose of this document is to provide a comprehensive overview of the current status of the project and to identify the key areas that require attention. It is intended for the use of senior management and other stakeholders who are involved in the project's execution.

2. The project has made significant progress since the last report, with several key milestones being achieved. However, there are still a number of challenges that need to be addressed in order to ensure the project is completed on time and within budget.

3. The following table provides a summary of the project's performance over the last quarter. It shows that while overall progress is good, there are some areas where performance is lagging, particularly in the area of resource allocation and budget management.

4. In order to address these challenges, it is recommended that the project team should focus on improving resource allocation and budget management. This can be achieved by implementing a more rigorous budgeting process and by ensuring that resources are allocated efficiently.

5. The project team should also continue to monitor the project's progress closely and report any issues to senior management as soon as they are identified. This will ensure that any potential problems are addressed promptly and that the project remains on track.

6. Finally, it is important to note that the project's success will depend on the continued support and cooperation of all stakeholders. It is therefore essential that all stakeholders continue to work together to ensure the project is completed successfully.

7. The project team is confident that it is well positioned to overcome the challenges ahead and to deliver a high-quality project on time and within budget. We thank you for your continued support and look forward to working with you in the future.

8. The project team is also pleased to have received your feedback on the previous report and will take it into account in our future work. We will continue to strive for excellence and to provide you with the highest quality of service.

9. The project team is committed to transparency and to providing you with regular updates on the project's progress. We will continue to keep you informed of any changes to the project plan and of any issues that may arise.

10. The project team is grateful for your continued support and looks forward to working with you in the future. We will continue to strive for excellence and to provide you with the highest quality of service.
