- application:

 1. R. Olsen Oil Company is the owner and operator of an oil and gas lease known as the Danglade.
- 2. R. Olsen Oil Company's Danglade #2 well located 660 feet from the South and East lines of Section 13, Township 22 South, Range 37 East was recompleted as a Blinebry gas well on April 6, 1957. Subject well formerly produced oil from the Drinkard oil pool, however the Drinkard formation has been sealed off by a plug at 6050 feet. The Blinebry zone, from which the well is now producing, is perforated from 5435 to 5500 feet.
 - 3. R. Olsen Oil Company contends that the proposed unit does not exceed 2640 feet in length; that all acreage within the proposed unit is reasonably proven for Blinebry gas; that the proposed unit consists of contiguous acreage and that the unit lies wholly within the boundaries of a governmental quarter section.

By copy of the attached letter, all operators within 1500 feet of the proposed unit well have been notified of the intention of the R. Olsen Oil Company to form the proposed non-standard gas
