Gentlemen:

This acknowledges receipt of your form SG-101,
"Notice of Intention to Drill New Well" on your
Will Cary Well No. 1 in NE¹ SE¹ Sec. 21, 22S-37E.

We are returning these forms to you as they are
made out on the old forms of the State Geologist,
instead of the new forms of the Oil Conservation
Commission. Also they are only made out in duplicate
instead of triplicate. Under separate cover, we are
mailing you a supply of the forms of the Oil Conser-
vation Commission and a copy of Circular 1 of the
Oil Conservation Commission.

Kindly send all forms direct to Mr. E. J. Vesely,
State Oil and Gas Inspector, Carlsbad, New Mexico,
for his approval. We are also enclosing herewith
a general letter to operators giving instructions
in regard to filing forms, etc.

Very truly yours.
